

We are needing to immediately hire 1 board op and 2 spot ops from Tuesday or Wednesday through Saturday for an advanced youth production of "The Sound of Music" tech and show. Pay is \$100 stipend per position. A Tuesday start would be ideal but if they can't make it until Wednesday that would be OK.

We can be flexible with call time, if folks are getting off of work at 5 PM and need travel time, that's OK because the kids will be getting into dress and mic.
